

CONEWAGO BASEBALL ASSOCIATION

Conewago Township, Dauphin County

To: Conewago Baseball Association Supporters

The Conewago Baseball (Softball) Association (CBA) is getting prepared for the 2010 season. The boys, girls and coaches are all anxious to get their seasons started. CBA is proud to be able to provide the children with a quality program, but in order to maintain and improve our program, we are seeking your support through a financial contribution.

This year CBA will field nine teams in baseball and softball. This includes our T-ball program as well as three age levels of baseball and three age levels of slow pitch softball. The children not only learn how to play one of America's oldest and most respected games, but will also learn values of TEAMWORK, SPORTSMANSHIP and DISCIPLINE.

If your business would like to have the opportunity to sponsor one of the Conewago baseball or softball teams, a \$150 donation can be made to the association. With your donation, your business name will appear on a team's uniform jersey, recognition at Opening Day and a Sponsor plaque with a team picture.

With your financial support, CBA will be able to improve our program and playing fields. We hope that the association and the children of Conewago Township can count on your support.

“Thank You” in advance for your support!

Sincerely,

Norm Stine and Randy Kline
